Overview of Familiarization Programmes

Board of Directors in its meeting held on November 14, 2014 had approved the Independent Director's Training Policy ("Policy") according to which:

- ❖ To facilitate independent directors in the performance of their duties and responsibilities, new directors are provided with a personal orientation by senior leaders and materials regarding the Company's business and operations, governing documents, information on key personnel, and financial information are made available to them.
- ❖ Independent directors are also taken through detailed business strategy for various businesses during the independent directors meetings.
- ❖ The Chairman of the Board depending on the business needs may also nominate independent directors for relevant external training programs.

Apart from Independent Directors, Non-Executive Directors are also eligible to attend the familiarization programmes.

The Independent Directors are made aware of their roles, responsibilities and liabilities at the time of their appointment through a formal letter of appointment, which also stipulates their roles and responsibilities and various terms and conditions of their appointment.

Regular updates on relevant statutory and regulatory changes are regularly circulated to the Directors.
